Dear Mr. and Mrs. Siefke:

I have enclosed draft versions of a final reimbursement agreement, exhibits and affidavits. Please review the drafts of the agreement, exhibits and affidavits and make sure all the facts contained in the documents are correct. Please call me at (303) 312-6638 if you find anything that needs to be corrected or if you have any suggestions and/or concerns.

These drafts have not been reviewed by my management and therefore do not represent an Agency position. They are simply discussion drafts to expedite final resolution of this matter. Our Headquarters office may require some modifications, but I would like your input first.

Please be advised that I am not a disinterested person. I am an attorney representing the United States Environmental Protection Agency. In view of this, you may wish to retain counsel to represent you. In addition, I want you to be aware that the enclosed reimbursement agreement and exhibits and the affidavits are legal instruments with important legal consequences. If you do not understand any or all of the documents, legal or other counsel should be consulted before signing.

Sincerely,

Richard Sisk
